

ISO Geospatial Metadata Implementation Forum October 11, 2017

Presentation:

*Towards Implementation of SDSFIE-M for the
USACE National Coastal Mapping Program*

Charlene Sylvester, US Army Corps of Engineers

Purpose

Offer a webinar information series for the presentation & discussion of ISO geospatial metadata standards implementation efforts through shared experiences, strategies, topics, & resources.

Audience: FGDC Metadata Working Group & other interested participants

Presenters: Community participants willing to share their expertise in common interest areas

Anticipated Outcome: Each session documented & available at the FGDC Metadata website; stimulate ideas and promote use
