**TRIBAL  
NATIONS**

**CITY**

**NATIONAL**

**COUNTY**

**COG**

**STATE**

# READY ?

- **NOT** ALL COUNTIES –
- Visited 5 states
  - Digital Parcels ? Address Points ?
    - Some
      - NOT looking at AP
      - NO digital parcels

# WHO DECIDES??

- Source is the final authority to 'fix it'
- Roads – LOCAL - X state or federal
- Soils – FEDERAL - X state or local
- Lake Hazards- STATE - X local or federal

# GAMEPLAN

- **DETERMINE** - who owns the data
- **SERVICES** - to get data upstream quickly
- **SHARE RESOURCES**
- **RECOGNIZE ALL PARTNERS**

# TECHNICALLY FEASIBLE

- Services – current & updates
- Parallel backup system
- Tech improvements - some local jurisdictions
- ***Current Boundary, Roads, Parcels***  
***– Address Points for Everyone***

# Discriminate

- Fire Service – competition
- EMS – technology
- Law Enforcement – training
- Fire Service – waiting and support
- Public Works – 7 failures before success
- Economic Development – “like a charm”
